At Sand Hollow Resort we are all about fun. We want our residents, guests and potential buyers to enjoy themselves and feel like they are constantly being entertained. Jason Hewlett has been a key component to this approach. We have had two events with Jason where he has entertained investors and potential buyers. On both occasions our attendees have cited Jason's performance as memorable and the highlight of our events. Jason brings a clean and exciting humor which hits a wide range of age groups. We feel our association with Jason has enhanced our events and further promotes our attitude of fun. We have already booked Jason for our third event and are confident that it too will be a tremendous success.

Sincerely,
